

ELITE SPORTS ACADEMY 2010

Hi Folks

As you will be well aware it is VERY close to departure time. Before we know it the excellent opportunity and experience will have enhanced your Sporting Awareness to new levels. Levels from which it will be your responsibility to further build upon.

We do not get the opportunity to meet as a group before we leave so I ask that each of you be at the S.B.S. Event Centre (Stadium) in Morgans Road by 4.10 pm. I wish to introduce myself, the other adults involved and point out the required expectations both of attitude and behaviour.

Having worked all my life within education and especially amongst sporting folks I have every confidence that WE will all return richer for having shared this magnificent opportunity together in the best possible ways.

Each and every one of us is an exceptionally important and equally critical part to the overall success and enjoyment of our Elite Sports Academy experience.

We will all return, hugely enriched by the experience our parents and families have afforded us individually and collectively. We will return having brought credit upon ourselves, our families, our various coaches and our schools.

Here's to a wonderful, injury and incident free Elite Sports Academy 2010

I am absolutely delighted to be sharing this experience with you all.

Yours sincerely

Bob Pringle
(Aoraki Sports Director)

N.B. There will be a lot of physical activity involved in the coaching clinics etc so PLEASE make sure you have plenty of "smalls" and appropriate clothing.
It's a rule that you leave Ipods (Conversational Busters) at home.
